

## English II World Literature Summer 2017 Reading Project

Choose one of the novels to read from the selections above. Your final project will focus on **THEME**, a literary element involving an author's message, which we will begin 1<sup>st</sup> quarter studying. Take notes using the annotation guide that Ms. Concepcion shared with you in your English I Introduction to Literature course. The object is to look more deeply at the author's overall message using vocabulary, events, character attitudes, etc.

### Final Project

Create a poster board that connects the **THEME** of the story to your personal life. For example, if you read *the five people you meet in heaven*, then your poster board may be a collection of words and images that relate to five people who may have influenced your life from a distance (a past relative whose name you share, the former owners of the house you live in, the founder of your favorite sport, etc.) as well as those who you feel you may have influenced in your journey of life. Be creative!

### Requirements

- Poster board must be between 22" X 28" or 24" X 36"
- The title of the novel you chose to read should be centered at the top of the poster
- Full name must be written on the back of the poster
- At least five images must be included
- A description of all images and their connection must be provided (five minimum) on a typed document and attached to the back of the poster
